

## The HHC Artist Network

**Hip Hop Congress (HHC) Mission:** Hip Hop Congress is a network of individuals and organizations that are driving the necessary transformation of the world by uplifting culture with the creative development of artists and young people through education, civic engagement, and equitable resource exchange.

The **HHC Artist Network** offers unique benefits through online service packages that include event booking, touring opportunities, radio play, web promotion and advertising. **“Online Senate Memberships”** are available to Artists who have booked more than three (3) **HHC Chapter** events and are elected by a **HHC Chapter** or **Regional Team**. **“Senator-Artists”** receive free educational training, leadership development and professional opportunities through the **HHC 501c3** and **HHC Partners**.

### **The HHC Artist Network National Goals:**

- Elevate the status of the “Artist” to that of “Cultural Worker” at all relevant venues-- including learning sites and community spaces-- to represent ethical professional standards within the entertainment industry, education and activist network.
- Leverage local and regional clusters in the interest of the community by identifying 1000 “HHC Artists” in the U.S. who are providing and seeking network support through cooperative economics and equitable resource-exchange.
- Focus the political and social impact of U.S.-based “Artists” by creating opportunities to engage new audiences through community programs and campaigns sponsored by **HHC Chapters** and **HHC Partners**.
- Create a sustainable economy of jobs that operate in the interest of the community by developing “Artist/Cultural Workers” as an organized labor force in schools and learning facilities across the nation.

### THE HHC ONLINE “ARTIST SENATE MEMBERSHIP”:

The **HHC Artist Senate** is a network of Artist-ambassadors elected by **HHC Chapters** and **Partners**, who receive all-access to **HHC Educational Services**, trainings and special courses; **“Senator-Artist” Channels** on the **HHC Online Social Network** and the opportunity to become certified **HHC “Senator-Artist Teachers”** available for-hire through **HHC Partners**.
